Dear Mr. Eure:

I am writing on behalf of the Government Oversight Committee, comprised of Iowa Legislators. The purpose is to acknowledge receipt of your letter dated August 31, 2005, to several Committee members, regarding issues you identified with the Information Technology Department (ITD) now Information Technology Enterprise (ITE) during your employment and subsequent termination in October 2001.

The Committee forwarded your letter to the Citizens' Aide Ombudsman for review and recommendation for possible actions on your behalf. Based on the response received dated October 19, 2005, and subsequent discussion at the Committee's November 1, 2005, meeting, it has been determined that further action by the Committee would not be taken at this time. The Committee has also been told that you received the October 19 response from the Citizens' Aide Ombudsman.

This decision by the Committee should not be construed as denying you any rights and privileges that still may be available to you relating to the issues raised. The Committee appreciates your communication regarding issues that affect State Government.

Sincerely,

Samuel J. Leto  
Legislative Services Agency
